

# School Library Profiles - 2010-2011 School Year

Iver C. Ranum Middle School  
2401 W. 80th Ave., Denver, CO 80221  
Respondent: Brooke Macdonald

This report covers the research findings from the three Colorado School Library Impact Studies as well as those reported in Fast Facts Nos. 180 and 287 from the Library Research Service, which show that CSAP reading scores increase with improvements in school library programs. Various predictors of academic achievement are reported for the school and its peers. Note that these predictors cannot be explained away by school or community differences. For more information visit:

## Weekly Service Levels

### School Library Visits per Week

|                     | Your School | Middle Schools Med. | Med. for Schools 700-999 Students |
|---------------------|-------------|---------------------|-----------------------------------|
| Ind. Student Visits | 1,000       | 220                 | 316                               |
| Visits per Student  | 1.24        | 0.77                | 0.40                              |
| Class/Group Visits  | 50          | 15                  | 20                                |

Choosing to visit the school library as an individual, separate from a class visit, is a strong indicator of higher test scores.

### Hours Open During a Typical Week

When access to school libraries is scheduled flexibly, reading scores improve 13-22%. Flexible scheduling allows students to visit the school library individually.

### School Library Hours Open Per Week

|                                    | Your School |
|------------------------------------|-------------|
| School Hours Open                  | 39.0        |
| Hours Open Before and After School | 6.0         |

## School Library Program Development

### School Library Collection

|                        | Your School | Middle Schools Med. | Med. for Schools<br>700-999 Students |
|------------------------|-------------|---------------------|--------------------------------------|
| Number of Books        | 10,589      | 10,201              | 12,536                               |
| Books per Student      | 13          | 19                  | 16                                   |
| Print Subscriptions    | 2           | 12                  | 15                                   |
| Subs. per 100 Students | 0           | 2.1                 | 1.9                                  |
| Avg. N-F Copyright     | 1998        | 1995                | 1996                                 |

Schools with well-developed school library programs average higher reading scores. Well-developed programs are indicated by staffing level, collection size and age, and expenditures.

### Computers per 100 Students

|  | Your School | Middle Schools Med. | Med. for Schools<br>700-999 Students |
|--|-------------|---------------------|--------------------------------------|
| Library Computers<br>w/Access to<br>Resources      | 7.7         | 37.0                | 34.0                                 |
| Other School<br>Computers w/Access<br>to Resources | 11.3        | 109.0               | 164.0                                |

\* Note: For the purposes of this profile, the terms "School Library" and "Library Media Center" are equivalent. To maintain consistency, this profile uses the term "School Library."

## Operating Expenses

CSAP reading test scores increase with increases in:

- School Library staff hours per 100 Students
- Print volumes per student
- Periodical subscriptions per 100 students
- Electronic reference titles per 100 students
- School Library Expenditures per student

### Expenditures Per Student

### School Library Expenditures

|                         | Your School |
|-------------------------|-------------|
| Collection Expenditures | 8.46        |
| Other Expenditures      | 1.58        |
| Total Expenditures      | 10.04       |
